Amendments for Consideration at the 2020 Special General Meeting

Updated: October 2, 2020 – POST SGM

**DISTRIBUTED TO MEMBERSHIP
AUGUST 31, 2020**
(Reference: BC Soccer bylaw 5.15b)

Foreword

Dear BC Soccer Member,

2020 will be a year that we will never forget. The global COVID-19 pandemic has stunned the world and most certainly impacted the world-wide soccer community.

While we are hopeful that by this time next year we will have resumed to a “new norm,” in the meantime, the board of directors and I have been heartened by the membership’s unity, sense of responsibility, optimism, and tenacity as we persevere through such unprecedented times.

Like many of you, BC Soccer would also like to move forward with “business as usual” to the extent possible; however, in preparation for the Annual General Meeting (AGM), which will be held virtually in November, it has become clear that BC Soccer’s bylaws are also not immune to the current circumstances and, following the recommendation of BC Soccer’s Governance Committee, the board of directors have determined that we would be remiss if we did not bring these important matters to the membership prior to November.

In this document, following the Rule Amendments for Ratification, there are potentially three bylaw amendments for which the board of directors are seeking the membership’s consideration and decision on at the October 1, 2020 Special General Meeting. They surround two issues for which I will try to summarize here:

1. Based on the timing of BC Soccer’s new Annual General Meeting, timings to determine the vote allotment need to be adjusted; however, the more pressing matter is that because the vote allotment is based on player registration, the allotment for the November AGM will likely be more representative of the impacts of COVID-19 and less representative of the player and registration base for which BC Soccer’s members represent.
2. For BC Soccer board of director positions, the bylaws require the voting members to write the name of the board candidate they are voting for on the line of a blank ballot. Upon looking into electronic options, we have found that they legally may not technically meet that requirement.

As November 2020 approaches, BC Soccer’s board of directors’ aim is to deliver an Annual General Meeting that meets the intention of the bylaws in place, wishes of the membership, and the requirements of the bylaws as they are written. Therefore, we have proposed what we believe to be reasonable solutions to these issues in this Amendments Package.

Understandably, the timing of this is not ideal so close to the AGM; however, as previously stated, in consultation with the Governance Committee, the board of directors have resolved that this is the most reasonable, prudent approach.

Lastly, you’ll also notice one additional rule amendment in the package, which was submitted to BC Soccer from South Fraser District Association (SFDA) at the beginning of 2020. With SFDA’s

submission, there was the specific request that the amendment be proposed at BC Soccer's next General Meeting. In honouring that request, we have included their proposed rule amendment in this package as opposed to including it with the package you will receive for the November AGM.

Thank you in advance for your understanding and consideration of the amendments as presented below.

Sincerely,

BC Soccer

RULES CHANGES REQUIRING RATIFICATION

RULE RATIFICATION #1

(Amendment carried at the December 2019 board meeting)

RATIONALE

Housekeeping, for clarification.

Background

For the 2019 AGM, Burnaby District Youth Soccer Association proposed to remove “d) A player wishing to play Out-of-District will be granted a release from the district in which he/she resides, upon request and receipt of a completed District Release Application Form from that district’s registrar or designate.”

The amendment was carried so d) was removed; however, d) had the sub-rules of i) and ii) as they relate to the Application to Play Out of District Form. With no form in place, these rules no longer have context.

By ordinary resolution, the Board of Directors propose to remove Rule 19.b.i and 19.b.ii:

CURRENT

RULE 19 - YOUTH PLAYERS – ZONING

- b) Players participating in provincial and/or national programming will register with the Youth District where they reside via BC Soccer.
 - i) The receiving district upon acceptance of a player must also give written permission for acceptance of the player by completion of the District Release Application Form. Having received such authorization a player then qualifies for Rule 20.d).
 - ii) The Accepting Youth District must provide a copy of the validated Out-Of-District form(s) upon request of BC Soccer.

PROPOSED

RULE 19 - YOUTH PLAYERS – ZONING

- b) Players participating in provincial and/or national programming will register with the Youth District where they reside via BC Soccer.

RULE RATIFICATION #2

(Amendment carried at the December 2019 board meeting)

RATIONALE

- To better reflect the purpose of the document
- Operational efficiency

Background

BC Soccer's current Registration Policy Manual reiterates rules already in BC Soccer's Rules & Regulations or provides more information regarding the registration process (example: submission timelines). Any update would not change the requirement for Districts and Adult Leagues to register their players, which is the rule the manual was initially created to support. By removing the policy but keeping the reference to the manual in BC Soccer's Rules & Regulations, the document can be updated as needed to better support the rule and/or provide clarification for membership and be circulated more efficiently.

(Reference - Current Registration Policy Manual provided following this proposed amendment)

By ordinary resolution, the Board of Directors propose to amend Rule 4, 5 and 23 as follows:

CURRENT

RULE 4 - TEAM AFFILIATION

General

- k) Adult Leagues and Youth districts are required to complete and submit to BC Soccer all registration data and full registration fees as provided in the **Registration Policy Manual** of the Association.

RULE 5 - PLAYER REGISTRATION

General

- j) Subject to competition rules, a player whose team has completed its playing season, and who wishes to play for the same team or a different team in another league or competition, must be registered again as per the **Registration Policy Manual**.

Adult

Active Full Members

- y) Active (Full Member) Adult Leagues may obtain the Adult Player Registration Form from BC Soccer for distribution to registering players or collect the required information via an alternative format. Registrations shall be completely filled in and submitted to the League Registrar who will in turn record each registration and return the various portions of the form and/or electronic confirmation to the players and submit the registration data to BC Soccer as per the **Registration Policy Manual**. The cost of the registration is determined and circulated by BC Soccer to the membership prior to March 15th annually, in advance of the forthcoming season. Payment for all registration is due as per the **Registration Policy Manual** and current fee schedule.

Associate Members

z)

- iii) Associate Member Adult Leagues in this category may obtain the Adult Player Registration Form from BC Soccer for distribution to registering players or collect the required information via an alternative format. Registrations shall be completely filled in and submitted to the League Registrar who will in turn record each registration and return the various portions of the form and/or electronic confirmation to the players and submit the registration data to BC Soccer as per the **Registration Policy Manual**. The cost of the registration is determined and circulated by BC Soccer to the membership prior to March 15th annually, in advance of the forthcoming season. Appropriate payment for all registration is due as per the **Registration Policy Manual** and current fee schedule.

RULE 23 - RULES FOR THE OPERATION OF THE BC SOCCER HIGH PERFORMANCE LEAGUES

Adult

- k) Adult Players of a BC Soccer High Performance League will submit registration to the League Registrar who will in turn record each registration and submit the registration data to BC Soccer as per the **Registration Policy Manual**.

PROPOSED

RULE 4 - TEAM AFFILIATION

General

- k) Adult Leagues and Youth districts are required to complete and submit to BC Soccer all registration data and full registration fees as provided in the **Registration Manual** of the Association.

RULE 5 - PLAYER REGISTRATION

General

- j) Subject to competition rules, a player whose team has completed its playing season, and who wishes to play for the same team or a different team in another league or competition, must be registered again as per the **Registration Manual**.

Adult

Active Full Members

- y) Active (Full Member) Adult Leagues may obtain the Adult Player Registration Form from BC Soccer for distribution to registering players or collect the required information via an alternative format. Registrations shall be completely filled in and submitted to the League Registrar who will in turn record each registration and return the various portions of the form and/or electronic confirmation to the players and submit the registration data to BC Soccer as per the **Registration Manual**. The cost of the registration is determined and circulated by BC Soccer to the membership prior to March 15th annually, in advance of the forthcoming season. Payment for all registration is due as per the **Registration Manual** and current fee schedule.

Associate Members

z)

- iii) Associate Member Adult Leagues in this category may obtain the Adult Player Registration Form from BC Soccer for distribution to registering players or collect the required information via an alternative format. Registrations shall be completely filled in and submitted to the League Registrar who will in turn record each registration and return the various portions of the form and/or electronic confirmation to the players and submit the registration data to BC Soccer as per the **Registration Manual**. The cost of the registration is determined and circulated by BC Soccer to the membership prior to March 15th annually, in advance of the forthcoming season. Appropriate payment for all registration is due as per the **Registration Manual** and current fee schedule.

RULE 23 - RULES FOR THE OPERATION OF THE BC SOCCER HIGH PERFORMANCE LEAGUES

Adult

- k) Adult Players of a BC Soccer High Performance League will submit registration to the League Registrar who will in turn record each registration and submit the registration data to BC Soccer as per the **Registration Manual**.

RULE RATIFICATION #3

(Amendment carried at the February 2020 board meeting)

RATIONALE

The rule, as it is written, while stating what is to come into effect, does not state what is in effect as of right now. This potentially jeopardizes the implementation for which other rules are referenced (for example, transfer rules). For clarification, it is suggested to add the registration/playing season for BC SPL that is currently in effect.

Background

See letter from South Fraser District Association, provided in Appendix A.

By ordinary resolution, the Board of Directors propose to amend Rule 23.h as follows:

CURRENT

RULE 23 - RULES FOR THE OPERATION OF THE BC SOCCER HIGH PERFORMANCE LEAGUES

Youth

- h) The playing season and registration period for the BC Soccer High Performance Leagues shall be from August 1 to July 31 regardless of Coastal or Interior residency. (Note: To be implemented for the 2020-2021 season)

PROPOSED

RULE 23 - RULES FOR THE OPERATION OF THE BC SOCCER HIGH PERFORMANCE LEAGUES

Youth

- h) The playing season and registration period shall be from January to December of each year regardless of Coastal or Interior residency.
- i) The playing season and registration period for the BC Soccer High Performance Leagues shall be from August 1 to July 31 regardless of Coastal or Interior residency. (Note: To be implemented for the Coastal 2021-2022 season)

PROPOSED BYLAW AMENDMENTS

BYLAW AMENDMENT #1

RATIONALE

The COVID-19 pandemic has had an immense impact on player registration for which the delegate voting system of BC Soccer's bylaws is based. With minimal player registration across Interior and Coastal Youth District Associations, some Districts would likely receive a vote that arguably does not represent their District's player registration base, but rather, reflects the impact of a global pandemic. Consequently, voting Adult League members are impacted as their vote allotment is based both on the registration of youth players (for the 50/50 equitable split) and, registration of teams.

The amendment presented below is put forth to accomplish three things:

1. Enable voting members to have the vote allotment provided to them at the most recent meeting of members, the 2019 Annual General Meeting. (*Reference: Appendix B*)
2. Based on the timing of BC Soccer's new Annual General Meeting, timings to determine the vote allotment need to be adjusted so the calculation of the vote allotment is consistent with the past moving forward (when the Association is otherwise not impacted by external circumstances such as COVID-19).
3. (Housekeeping) Clarify that active members receive votes via the delegate voting system (as opposed to stating "affiliated," so there is no confusion for affiliated Adult Leagues that are Associate Members).

By special resolution, the Board of Directors propose to amend Part 13.5 as follows:

CURRENT

PART 13 – DELEGATE VOTING SYSTEM

13.5 Delegate Voting.

- (a) **Adult Leagues.** Each affiliated Adult League having fewer than ten teams shall be eligible to cast at least one vote at the annual general meeting. An Adult League shall be permitted an additional vote for each additional ten teams (consisting of Registered Players who have submitted full member adult league player fees to the Society) or part thereof. The total number of votes allocated to each Adult League will be determined by the formula as set forth in section 13.5(c) and subject to the provisions of section 13.5(e).
- (b) **Youth District Associations.** Each affiliated Youth District Association having fewer than 400 Registered Players, including players assigned to the Youth District Association by the Society, shall be eligible to cast one vote at the annual general meeting. Youth District Associations with more than 400 Registered Players shall be

permitted one vote for the first 400 Registered Players and one vote for each additional 400 Registered Players registered by December 31 of the current coastal season and by June 1 of the current interior season.

(c) **Determination of Adult League Delegate Votes.**

- (i) To determine the Adult League votes, the total number of Youth District Association votes as determined in subsection (b) above, shall be divided by the total number of Adult teams in each league. The resulting figure is then multiplied by the number of teams per league. Fractional calculations are rounded up at 50% or more, and down at 49% or less.
- (ii) The total number of votes allocated to the Adult Leagues will equal the total number of votes allocated to the Youth District Associations.
- (iii) To determine the number of teams for a member Adult League whose season is defined as “summer”, divide the total number of players who are registered to that league who were not registered during the immediate past “winter” playing season by 20.

PROPOSED

PART 13 – DELEGATE VOTING SYSTEM

13.5 Delegate Voting.

- (a) For the 2020 Annual General Meeting, each active Youth District Association and Adult League with the right to vote shall receive the vote allotment accepted at the 2019 Annual General Meeting.
(To be removed November 8, 2020)
- (b) **Adult Leagues.** Each active Adult League having fewer than ten teams shall be eligible to cast at least one vote at the annual general meeting. An Adult League shall be permitted an additional vote for each additional ten teams (consisting of Registered Players who have submitted full member adult league player fees to the Society) or part thereof. The total number of votes allocated to each Adult League will be determined by the formula as set forth in section 13.5(c) and subject to the provisions of section 13.5(e).
- (c) **Youth District Associations.** Each active Youth District Association having fewer than 400 Registered Players, including players assigned to the Youth District Association by the Society, shall be eligible to cast one vote at the annual general meeting. Youth District Associations with more than 400 Registered Players shall be permitted one vote for the first 400 Registered Players and one vote for each additional 400 Registered Players registered in the Society’s most recent completed fiscal year.
- (d) **Determination of Adult League Delegate Votes.**

- (i) To determine the Adult League votes, the total number of Youth District Association votes as determined in subsection (b) above, shall be divided by the total number of Adult teams in each league. The resulting figure is then multiplied by the number of teams per league. Fractional calculations are rounded up at 50% or more, and down at 49% or less.
- (ii) The total number of votes allocated to the Adult Leagues will equal the total number of votes allocated to the Youth District Associations.
- (iii) To determine the number of teams for a member Adult League whose season is defined as “summer”, divide the total number of players who are registered to that league who were not registered during the immediate past “winter” playing season by 20.

BYLAW AMENDMENT #2

(Note: Will be withdrawn if Bylaw Amendment #1 carries)

BYLAW AMENDMENT #3

RATIONALE

(Housekeeping) Updated to reflect the move to three-year terms.

To enable the election of director positions to be conducted by electronic means.

Background

Each year at BC Soccer's Annual General Meeting (AGM), for the election of Board Members, BC Soccer provides hard copy paper ballots with the appropriate allotment of votes to each Voting Member. Following the order of elections per BC Soccer's bylaws, Members write the name of the candidate they are voting to elect and provide the ballots to BC Soccer scrutineers (typically BC Soccer's auditors) for counting. Ballot submission/voting is anonymous.

For the election of Executive positions (President, First Vice President, Vice President – Finance, Vice President – Adult, Vice President – Youth), BC Soccer's bylaws only speak to the use of the runoff election plurality voting system and do not reference the use of ballots (provided in the "Current" and "Proposed" below for reference); however, for the director-at-large positions, BC Soccer's bylaws specify that voters are provided a ballot with a blank line on it where members are to physically write the name of the candidate(s) for which they are voting to fill the director-at-large position(s).

Given the current times and seeking to facilitate the 2020 Annual General Meeting through electronic means, these specifications for voting on director-at-large positions are perhaps a bit outdated and, pose a challenge.

BC Soccer inquired with its legal counsel, Alexander Houlburn Beaudin + Lang LLP for an opinion on whether using a drop-down box or radio buttons electronically would be an acceptable equivalent of writing the name; however, it was advised that these options technically would not meet the requirement.

Therefore, the board of directors is proposing this amendment so there is flexibility to modernize electoral processes for practicality (and in advance of the 2020 Annual General Meeting).

By special resolution, the Board of Directors propose to amend Part 6.4.c as follows:

CURRENT

PART 6 - DIRECTORS

6.4 Election and Term. The members will elect the directors at each annual general meeting at which an election of directors is required.

- (b) The Society shall use the runoff election plurality voting system so that members elect directors in each of the following positions: President, First Vice President, Vice President Finance, Vice President Adult and Vice President Youth. If no candidate receives at least 50% +1 of the votes cast, the candidate with the least number of

votes shall be eliminated from further consideration and another round of voting shall be conducted. This process shall continue until one candidate has at least 50% +1 of the votes cast.

- (c) The Society shall use the plurality voting system so that members elect each of the directors-at-large. The ballot will provide one line for each two-year position to be filled. Voters shall write in one candidate on each blank line of the ballot. Any ballot that contains the same candidate twice shall be declared spoiled and will not be counted. The candidates with the most votes shall be declared the winners. In the event that two or more candidates are tied for the last position, a second round of voting shall be conducted. Those candidates with fewer votes than those tied will be eliminated from further consideration. The second ballot shall then be conducted. Additional rounds of voting shall take place until the final position is filled. The voting process for all one-year director-at-large positions shall be conducted in this same manner.

PROPOSED

PART 6 - DIRECTORS

6.4 Election and Term. The members will elect the directors at each annual general meeting at which an election of directors is required.

- (b) The Society shall use the runoff election plurality voting system so that members elect directors in each of the following positions: President, First Vice President, Vice President Finance, Vice President Adult and Vice President Youth. If no candidate receives at least 50% +1 of the votes cast, the candidate with the least number of votes shall be eliminated from further consideration and another round of voting shall be conducted. This process shall continue until one candidate has at least 50% +1 of the votes cast.
- (c) The Society shall use the plurality voting system so that members elect each of the directors-at-large. The candidates with the most votes shall be declared the winners. In the event that two or more candidates are tied for the last position, a second round of voting shall be conducted. Those candidates with fewer votes than those tied will be eliminated from further consideration. The second round shall then be conducted. Additional rounds of voting shall take place until the final position is filled. The voting process for all one-year director-at-large positions shall be conducted in this same manner.

APPENDIX A – Letter from South Fraser District Association

South Fraser District Association

To BC Soccer

Attn: President Kjeld Brodsgaard Re:
Rule 23.h

Dear Kjeld

As you are aware, this issue of the amendment to rule 23 has raised a great deal of concern within the soccer community. After much discussion, debate, and input, with the other District Chairs in the lower mainland, the matter was shared in detail with the SFDA Board. The SFDA Board has passed a unanimous resolution as stated below in the hopes that this issue can be resolved in a way that allows no disruption to the current season of the BCCSL and the BC SPL.

SFDA would like to propose the following rule amendment at the next BC Soccer General Meeting:

23.h The playing season and registration period for the BC SPL shall be from January to December of each year regardless of Coastal or Interior residency.

At this point we also request BC Soccer Board of Directors to postpone the implementation of the amendment to rule 23.h that was passed at the last AGM until the next General meeting to avoid disruption in high performance and BCCSL.

Circulate as required.

Thank you for your time and on behalf of the SFDA Board of Directors, we look forward to BC Soccer's response and resolution to this matter.

Sincerely,

Dr. Harj Dhaliwal, MBA, PhD Chair
South Fraser District Association
