

## **British Columbia Soccer Roll of Honour**

This BC Soccer Roll of Honour recognizes the names and achievements of over 1,000 players, teams and leaders. Its purpose is to recognize achievement and contribution to soccer in BC over the last 125 years.

This list is a searchable database of over 1,600 achievements by over 1,000 different soccer people, clubs and teams. It is arranged in alphabetical order by last name. It can be searched using "Control-F".

It is compiled mainly from BC Soccer and Canada Soccer awards records, with other sources. In addition to soccer's own recognition, it includes BC's soccer people recognized by other sports bodies.

As the current BC Soccer was formed as an amalgamation in 1998, "BC Soccer" in this list refers to any of the prior BC Soccer, the BC Youth Soccer Association and the merged body since 1998.

This Roll is a work-in-progress, and will be extended/amended as new information is available.
