## BC Soccer: The Early Years (1904 to 1939): History and Directors

Information from Canadian Soccer History, compiled by Colin Jose

<http://www.canadiansoccerhistory.com>

A governing body of soccer in all of BC, the British Columbia Football Association, first came into existence on December 28 of 1904, remaining in power until 1909. In 1909, a professional soccer league was formed in BC, bringing the soccer association into conflict with the BC Amateur Athletic Union, and led to the collapse of the provincial association. A second BC Football Association was formed on August 15, 1914.
