Version 1.4

BC Soccer is pleased to be the largest provincial sport organization (PSO) in BC and the third largest soccer specific PSO in Canada. We believe in the power of soccer and look to develop our game by emphasizing its benefits of active and healthy living while supporting our member clubs, districts, and leagues to strengthen and unite their local soccer community.

We're proud to operate Provincial Club Championships for both Youth and Adult teams. These exciting competitions are held annually in various locations and are hosted by local soccer associations. These prestigious competitions offer teams across British Columbia the opportunity to compete against the other top teams from around the province in their age and ability category.

Adult Competitions

There are four divisions of competition for Adults:

- Under 21 (age group)
- Masters/Classics (Men/Women over 35 age group)
- Adult A Cup (open age group)
- Adult B Cup (open age group)

The Champions in the Adult A Cup divisions qualify to compete at the National Club Championships organized by the Canadian Soccer Association.

Ultimately our goal is to promote continued and sustainable soccer and community development and overall growth for our game in every region of British Columbia. In order to achieve this goal we must ensure all partners are working in collective harmony while also embracing BC Soccer's Mission of "Developing the game by inspiring British Columbians to lifelong active, inclusive, and team play."
